

Complaints Form 2009

Please describe your complaint in as much detail as possible, to include dates, item number etc. The more information we have the easier it is for us to deal with.

Your complaint will only be dealt with if it is supplied on this form. We will not deal with complaints posted on the website forum or anywhere else.

We are aware that in some cases you would prefer this to be kept strictly confidential, in which case you should contact us first by mail or phone to discuss the case, and we will then advise as to how you should proceed. If you think the case may be prejudiced in any way by another board member because of business links, then please make this clear at the start, so that we can deal with this on a need to know basis only.

If the item is too large to scan, then a photo may suffice, but we may need to see the item in question, so please keep this in mind when letting us have the details.
